

Love single track ? Love Ohiopyle ? ...here's your chance to join other like minded people to help improve the quality of both !

Recognized as a world class destination for whitewater recreation, Ohiopyle State Park, is not (*yet!*) known as a high quality resource for the growing sport of mountain biking.

The new Ohiopyle Bike Club (OBC) is dedicated to converting this vast potential for “destination-worthy” single track into a reality for all to enjoy!

OBC's vision includes a mountain biking “hub” at the Sugarloaf parking/pavilion area with enough miles of quality single track that a weekend visit to Ohiopyle might mean never biking the same trail mile twice. Multiple loops, as well as trail connectivity between the Falls area and Sugarloaf and the summit of Laurel Ridge, are in various stages of construction and planning.

Weekly volunteer work parties and/or rides make for a fun opportunity to exercise and socialize with other area mountain bikers, as your schedule permits. The club currently maintains nearly 10 miles of single track available to bikers like you! And now we are approved to build more this year!

PLEASE JOIN OBC today !! Choose whatever level of membership investment you can afford (tax deductible donation). But most importantly, join us today! Every new member adds to OBC's voice and clout...leading to more quality miles to ride!
